

**Re: IMAC Group, 7 Main Street, Dungiven, Londonderry, BT47 4LD:**

To whom it may concern:

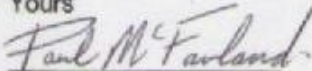

The above company have provided an excellent maintenance service carrying out Structural repairs to External elevations of Multi Storey Ward Block including general maintenance to window and door systems throughout the South Eastern Hsc Trust over the past number of years.

During this time I have found IMAC to be very reliable, able to carry out the works to a high standard and complete the works on time within the contract period with an excellent response to adhoc calls / requests.

Contract value in excess of £20K

I would confirm that I would have no hesitation in recommending IMAC for this type of work and would intend to employ IMAC for this work in the future.

Yours
