Re: IMAC Construction Services Ltd

We understand that the above company may need a reference:

The Bank is not a credit reference agency in regard to Section 145 of the Consumer Credit Act 1974. Any opinion given is without responsibility on the part of the Bank, or the Manager, and is given in strictest confidence.

We confirm that this business is well known to us and considered to be of good financial standing and capable and trustworthy in the normal course of business and the discharge of their duties.

In the event of a specific reference being sought regarding **IMAC Construction Services Ltd's** sufficiency to fulfil his contractual obligations, with the information to hand, we are of the opinion that such a request would receive a very favourable response.

Yours sincerely
