RE: IMAC FM, Dungiven, Co Derry.

IMAC has been a "Registered Contractor" with the Western Education and Library Board for the past 11/12 years. They respond to all day-to-day maintenance requests and carry out Planned Maintenance to our facilities. Their work is carried out to an extremely high standard. Their invoices, which are received on a regular basis, are descriptive and show clearly all breakdown of labour and materials.

I have, therefore, no hesitation in recommending IMAC for any similar projects that arise in the future.

Yours sincerely
